WELCOME TO SHEAT GROUP OF INSTITUTIONS

Learn Today, Lead Tomorrow

Our Commitment to Education Excellence

Saraswati Higher Education & Technical (SHEAT) Group of Institutions, governed under THE SARASWATI CHARITABLE TRUST was established in the year 2002 in the knowledge capital of India, with the vision of strengthening rural India by providing employment oriented and value-based education to Varanasi resident. All Campuses are located in the verdant pollution-free outskirts of Varanasi.

The SHEAT Group of Institutions comprising of SHEAT College of Engineering, SHEAT School of Business, SHEAT College of Polytechnic, SHEAT College of Pharmacy, SHEAT College of Higher Education, SHEAT College of Paramedical and SHEAT Public School is an outcome of the deep visionary pursuit of our philanthropic organization & is spread across 100 acres of lands among 2 campuses. We welcome you to a highly progressive, enterprising and nurturing environment which provides a student-centric, skill-based education.

At SHEAT, we endeavour to set learning challenges within a caring and orderly environment where students are provided opportunities that enable social, mental, physical and cognitive growth. With an aim to remain quality conscious, efficient and responsive to today's dynamic & competitive economic and technological developments, SHEAT has taken up the challenge to not only provide technical and corporate training to the students, but also deliver the effort to make themselves confident and progressive human beings with leadership qualities.

Thus, our mission is to develop Purvanchal by providing education of international standards to inculcate the skill, knowledge, educational hub, sense of self-worth and values necessary to thrive the students in contributing to a diverse and competing world. We believe that all the strength and power that you need is within you. SHEAT sees knowledge as a tool for the students' nourishment, and commits to their amelioration by providing an equal access for education.

SHEAT GROUP OF INSTITUTIONS - A TIMELINE

02

SHEAT Group of Institutions begun in 2002 with only 100 students and 25 faculty members. We are now a proud family of more than 2500 alumni and 400+ faculty.

CHRONICLES OF SHEAT: A JOURNEY THROUGH TIME

2002 SHEAT Group of Institutions is established by The Saraswati Trust, with the first foundation college SHEAT College of Higher Education with only 100 students and 25 faculty members.

A Future-Ready Learning Program for B.Tech & BCA Students

The SHEAT Skill Lab is a structured, hands-on technical training program exclusively designed for B.Tech and BCA students. Running parallel to the regular curriculum, it bridges the gap between academic knowledge and what the industry actually demands — practical skills, real-world problem solving, and AI-driven development capabilities.

Unlike traditional lab sessions, the Skill Lab operates on a sprint-based model — students build, ship, and learn every two weeks. By the time they graduate, they have a verified GitHub portfolio, hands-on experience with AI tools, and the confidence to walk into any interview.

WHY SKILL LAB IS DIFFERENT

- Sprint-based learning: projects every 2 weeks, not just at semester end
- Real GitHub portfolio built from Year 1 — visible to recruiters
- Public leaderboard on skilllab.sheat.ac.in — top performers recognized every cycle
- Build Days: once a month, students work on their own ideas (individual or team)
- Prompt Engineering & AI tools taught from the very beginning
- Trainer-evaluated on all criteria: logic, architecture, code quality & presentation

The Skill Lab is designed as a compounding curriculum — each year builds on the last, ensuring students develop depth and breadth simultaneously.

Year	Curriculum
Year 1 — B.Tech & BCA · Common curriculum	
Year 1	B.TECH & BCA Problem Solving with C Linux & System Fundamentals Git & GitHub Prompt Engineering
Year 2 — B.Tech & BCA · Common curriculum	
Year 2	B.TECH & BCA C++ & Object-Oriented Programming Data Structures & Algorithms Git/GitHub (Advanced) Prompt Engineering
Year 3 — B.Tech only · Java & backend foundation	
Year 3 B.Tech	B.TECH Java & Backend Fundamentals Spring Boot Basics Linux CLI & System Tools Git/GitHub (Advanced)

* Final year students choose their specialisation track — MERN Stack, Java Full Stack, or AI/ML — irrespective of branch.

- Training topics may change over time based on evolving technologies and industry requirements.
- From session 2026–27, final-year students can choose specialized tracks like MERN, Data Analysis, Mobile App Development, etc., irrespective of branch.
- By Final Year, students are placement-ready with real projects, a strong GitHub profile, and hands-on experience with AI integration — skills that top recruiters actively look for.

The Skill Lab runs on a structured sprint cycle throughout the academic year:

Activity	Frequency	Output
Assigned Project Sprint	Every 2 Weeks	Completed Project on GitHub
Build Day (Student's Own Idea)	Once a Month	Personal / Team Project
Trainer Evaluation	End of Each Cycle	Score + Feedback
Leaderboard Update	After Each Cycle	Top 3 featured on skilllab.sheat.ac.in

GitHub Integration

Every student's work is linked directly to their GitHub profile via skilllab.sheat.ac.in. This means every project, every sprint, every build day is automatically part of their professional portfolio — verifiable by any recruiter or employer.

Public Leaderboard

After every sprint cycle, the Top 3 performers from each batch are featured on skilllab.sheat.ac.in. This creates healthy competition, motivates consistent effort, and gives deserving students visibility and recognition beyond the classroom.

What Students Gain

- A verifiable GitHub portfolio from Year 1 onwards
- Hands-on experience with AI tools, APIs & Prompt Engineering
- Backend architecture thinking (Java, MERN, ML/DL pipelines)
- Version control discipline with Git/GitHub from Day 1
- Product mindset: understanding how to build, not just code
- Interview readiness: projects they can confidently present

The SHEAT Skill Lab is not a replacement for classroom learning — it is what transforms classroom learning into career readiness. In a world where AI is changing job descriptions faster than curricula can keep up, the Skill Lab ensures SHEAT students are not just graduates, but practitioners. This positions SHEAT Group of Institutions as a college that doesn't just teach technology — it teaches students to build with it.

ANTI-RAGGING UNDERTAKING

I, _____ (Name of the student),
son/daughter of _____ (Name of the parent/guardian),
hereby undertake that I will not indulge in any form of ragging, as defined below:

Ragging includes any act, conduct, or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students and includes individual or collective acts or practices which:

Involve physical assault or threat, use of obscene language, or gestures that create an uncomfortable or offensive environment.

Cause psychological harm or raise fear or apprehension in the minds of the new students.

Involve harassment, violence, or intimidation of any student.

I understand that ragging is a criminal offense and if found guilty, I may be expelled from the college, be imprisoned, and/or face a fine as per the provisions of the law.

I also understand that any information provided by me in this regard will be kept confidential and will not be disclosed to anyone without my permission.

I undertake to report any instance of ragging that comes to my notice to the authorities immediately.

I, hereby, declare that I have gone through the anti-ragging rules and regulations of the college, and I shall abide by them strictly.
